

**WHERE TO RECYCLE IN THE BUFFALO, NY AREA--- POST THIS ON YOUR REFRIGERATOR/BULLETIN BOARD
 ONE CALL, ONE STEP – FOR A BETTER PLANET [REDUCE, RE-USE, RECYCLE] Updated Oct. 2009
 Catholic Care for Creation Committee of Buffalo Sister Sharon Goodremote (716) 218-1450 Ext 206**

Per <http://www.buffalorecycles.com/>: Buffalo recycles just 6.5% of solid waste, well below national average of 27%. Increasing our recycling rate by a mere 1% will bring additional \$72,000 into city coffers. Recycling creates jobs - for every job created at landfills to handle trash, recycling creates six! For an area in desperate need of jobs, this is a very important benefit.

*Call to schedule pick-up, verify drop-off or to check policy, as applicable. ¹Call for information & locations nearest you.

<u>Alphabetic Product Listing</u>	<u>Location of Recycling</u>	<u>Contact Info</u>

Other sources of how to recycle or dispose of products in a responsible manner (fees involved):		
Recycling Solutions, 22 Mechanic Street, North Tonawanda, 14120 Website: www.go-glr.com http://earth911.org or call 1-800-Cleanup http://www.1800gotjunk.com/us_en/ or call 1-800-GOTJUNK		

Remember: The Best Recycling - Use Less, Reuse More

** Plastic bags are made from oil - millions of barrels of oil are wasted each year on disposal. As of 2003, Americans threw away 380 billion plastic bags (National Geographic). **Use re-usable bags!** E-mail s.goodremote@ccwny.org
 Create value –buy “valued products” – environmental friendly from production to disposal with Living Wage standards.
 Less is more – less stuff, less clutter, less pollution, more money saved, more resources available for future use.
